Address

Petria Life Science LLP
3 & 4, 1st Floor, 15th Cross,
Malagala Main Road, Malagala,
Nagarabhavi 2nd Stage,
Bengaluru-560091.

GSTIN : 29ABDFP4057E1Z7

Petria Life Science is a trusted and leading life science manufacturing and trading company dedicated to driving advancements in the field of life sciences with a deep understanding of the industry and a commitment to excellence, we empower businesses and researchers to access cutting-edge products, equipment, and services efficiently and effectively.

Our Vision:

At Petria our vision is to drive advancements by bridging the gap between suppliers and consumers. We strive to be the trusted facilitator that enables seamless transactions, fosters collaboration, and accelerates the development and commercialization of life-changing products.

Our Mission:

At Petria our mission is to facilitate the accessibility and utilization of cutting-edge products that address global challenges and promote scientific progress. We strive to empower researchers, professionals, and businesses with high-quality tools, technologies, and services that enable breakthrough discoveries and ease of working in the lab.

Product Range:

We offer a comprehensive portfolio of products sourced from reputable manufacturers and research institutions worldwide. Our product range encompasses.

Laboratory Equipment and Consumables:

We supply state-of-the-art laboratory equipment, instruments, and consumables that facilitate accurate and efficient research in microbiology, genomics, chemistry and other key areas. From pipettes and centrifuges to Cleanroom consumables and dehydrated culture media, our offerings are designed to meet the diverse needs of scientific research and industry.

Research Services:

In addition to product distribution, we offer specialized research services through strategic partnerships. These services include custom synthesis of oligonucleotides, sanger sequencing, and other contract research solutions tailored to the specific requirements of our clients.

Commitment to Quality and Compliance:

Quality and compliance are integral to our operations. We maintain strict adherence to international standards and regulations governing the industry. Our products undergo thorough quality assurance procedures, and we collaborate with suppliers who share our commitment to ethical practices, sustainability, and safety.

Customer Focus and Support:

At Petria, our clients' success and satisfaction are our top priorities. We work closely with researchers, healthcare professionals, and businesses to understand their unique needs and challenges, offering personalized support, technical expertise, and timely delivery of products. Our dedicated customer service team is always ready to provide assistance and guidance, ensuring a seamless experience throughout the procurement process.

Join us in Advancing Life Science:

We invite researchers, and industry partners to collaborate with us in advancing the frontiers of Life Science. Together, let's harness the power of science and innovation to create a healthier, more sustainable future for generations to come.
